3) Friends of Lower Kororoit Creek - National Tree Day 2011

The Friends of Lower Kororoit Creek has their major celebration along the Kororoit Creek on 31st July 2011 - National Tree Day from 10am - 1pm, Barnes Road Bridge, Altona North, MELWAYS Ref: 54 J4.

On Sunday, the Weather Bureau is predicting a cloudy day with a Minimum 10 degrees and a maximum 16 degrees with a NW wind to 30 kilometres/hour - sounds perfect for the tree planting celebration

Have a look at the active email link below to the FOLKC website and Planet Ark and also the attached letter and poster.

If you know of others that might be interested in having a fun day along Kororoit Creek on the Sunday, please forward the details.
