

**BCRG update 17 2011, Forum RSVP, VicRoads update**

10/08/11

Hi everyone,

1) BCRG Community Forum – RSVP please

The next BCRG Community Forum will be held on **Thursday 18th August**, at 6.00pm for a 6.30pm start, at the Brooklyn Community Centre, Cypress Avenue Brooklyn.

And remember that you **MUST RSVP** to me by **Monday, 15th August** if you wish to attend.

The draft meeting notes from the May 12 BCRG forum can be found on the Brooklyn website, <http://www.brooklynip.com.au/bcrg-community-forum/>.

The agenda for this meeting is not yet finalised. I will send it out as soon as possible prior to the meeting and it will be available on the web.

2) VicRoads Update

I received this update from Marko Nastic, VicRoads, on the 4th August.

- The committed works for Francis Street have been completed in Mid July 2011.
- Currently VicRoads is re-assessing the feasibility of extending the Wire Rope Safety Barrier at various locations along Francis St between Millers Rd and the Rail ways.
- Currently the shoulder sections that have no Wire Rope Safety barriers is due to business access gates having sufficient access room to enter and exit.
- In addition some locations have services along within the shoulder areas which cannot enable the installation of Wire Rope Safety Barriers.
- This is currently being investigated. If any proposed works are to be undertaken and when is still to be confirmed.

I hope to see you next week

Andrea Mason

Executive Officer

Brooklyn Community Reference Group
