

**BCRG update 5 2012, Cargill Community Update, Cemetery Road re-construction**

30/03/12

Hi everyone

1) Cargill Community Update

The March edition of the Cargill Community Update – Brooklyn is attached and is also available from <http://www.brooklynip.com.au/bcrg-updates/>.

2) Cemetery Rd Works Update, Hobsons Bay City Council

The following welcome update has been received from Malcolm Ramsay, Coordinator Public Health, Hobsons Bay City Council.

"Hobsons Bay City Council has undertaken works in Cemetery Road. These works included installing concrete edging with a wire barrier from Francis Street to the driveway of Tasman Logistics and tidying the unmade area behind the barrier. The Council has also installed concrete edging with a steel guard rail north of the Tasman Logistics driveway and completed major patching of asphalt pavement."
