

BCRG update 12 2012, Aug 15 BCRG meeting EPA Reports

13 August 2012

Hi everyone

1) BCRG Meeting - EPA Update for Wednesday's Meeting

At BCRG we are always looking for new ways to present the information you need to know.

The EPA have supplied their detailed reports for Brooklyn Roads Dust Abatement Options, Brooklyn Roads Dust Assessment and the BCRG supplementary Notes in advance. These reports are quite detailed and can be found at <http://www.brooklynip.com.au/bcrg-updates/>. The EPA will be at Wednesday's forum to present a summary of these reports and answer any questions.

The next BCRG Community Forum will be held Wednesday, 15th August, 2012 at 6.00pm for a 6.30pm start, at the Brooklyn Community Centre, Cypress Avenue Brooklyn.

And remember that you **MUST RSVP** to me if you wish to attend.

This agenda and the draft meeting notes from the May BCRG forum can be found on the Brooklyn website, <http://www.brooklynip.com.au/bcrg-community-forum/>.

We look forward to seeing you there.
