Files for each year are uploaded once data validation is complete. To request data not yet available on data.vic.gov.au, please contact EPA (contact@pea.vic.gov.au or on 1300 372 842) with the details of your request. We can follow up for any further context on why this historical data is stored at data.vic.gov.au rather than directly on EPA's website if that is helpful.</i>
