

BCRG Update 23_2013 BCRG draft Goal - for comment, Meeting Notes _ 11 December 2013

1) BCRG draft Goal - for comment

At our November BCRG meeting, I proposed a draft goal for the group to work towards. This draft goal was developed using input from participants of the previous meeting. The proposed goal was discussed in November, and the feedback received resulted in the following amended statement:

BCRG Goal

*Brooklyn Industrial Precinct **industries are considered part of the local community.** They operate to **modern-day standards, comply** with all regulations, and contribute to the best **possible amenity for people** who live, work and recreate in the area.*

I have tried to incorporate all of the feedback that was provided; note that I had to make a call on aspects of feedback that were contradictory.

Is this a goal that you would be happy for BCRG to pursue? Please provide any comments to jen@kismetforward.com.au by **18 December 2014**. Given the consultation that has already occurred, at this stage I am only after comments from you if you cannot live with the statement as shown above. (Balancing the comments of such a large group can be very challenging!!)

If your further comments result in the need for a dramatic change to the statement I will bring it back to the February meeting for final sign-off.

Otherwise, I will finalise the statement and incorporate it in the revised BCRG booklet so that too can be completed.

Thank you

Jen Lilburn, Convenor BCRG
