Site compounds

- Melbourne Road compound
- M80 Geelong Road compound
- Grieve Parade
- Millers Road
- Buchanan Road (Lynch Reserve)

Upcoming works

- Williamstown Road northbound widening
- West Gate Freeway closures
- Federation Trail closure
- Millers Road interchange upgrades
- Fogarty Road power relocation and drainage works

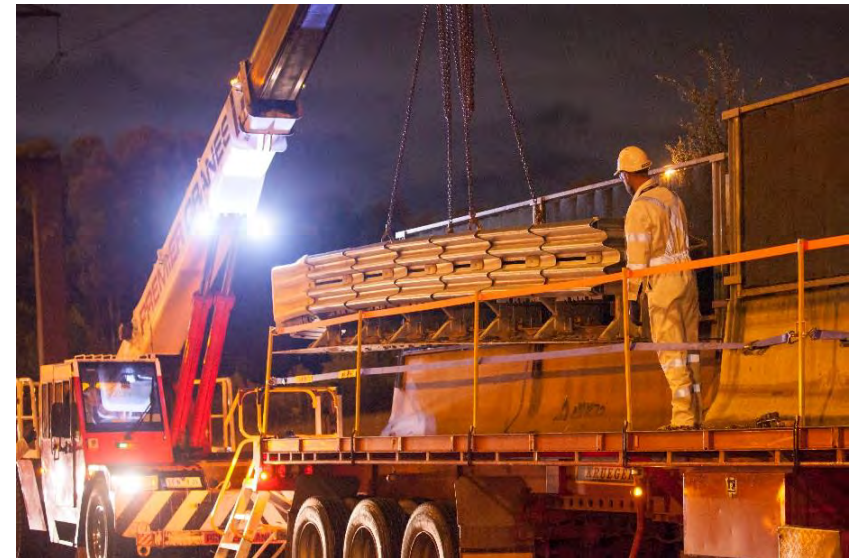

Williamstown Road northbound widening

- Widening Williamstown Road
- Allows for bridge widening works to begin
- Sewer and gas utilities relocated
- Temporary inbound exit ramp
- Provide space for tunnel portal construction

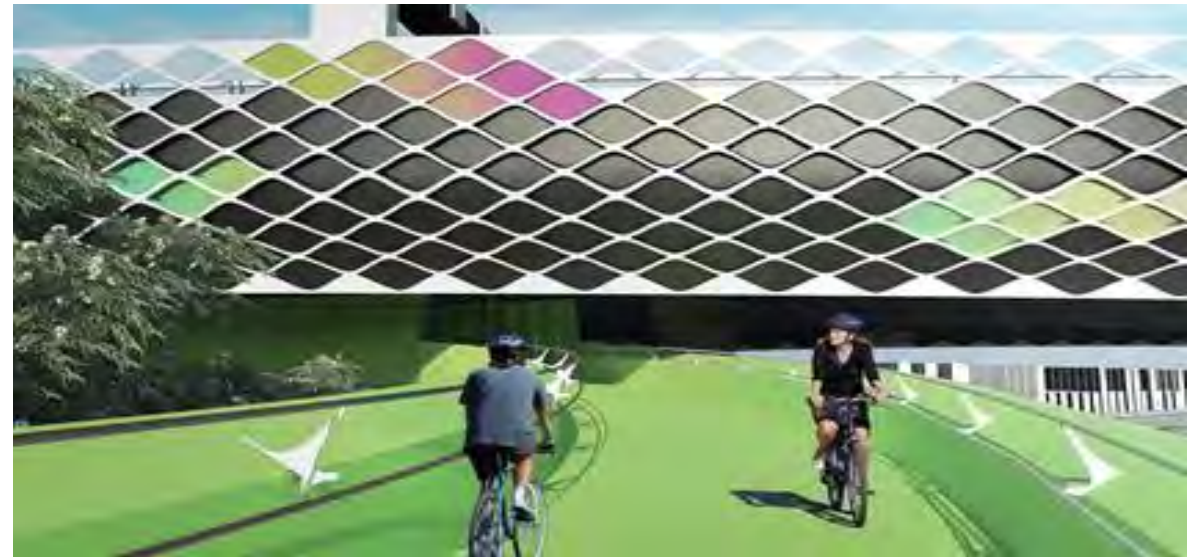

West Gate Freeway closures

- West Gate Freeway between Williamstown Road and M80 interchange
- 15-19 July 10pm-5am
- Removal of sign gantries & light poles
- Detours in place

Federation Trail closure

- 16 July 2018 until 2022
- Required for freeway widening
- Shared user path upgrades
- Signed detour in place
- Various detour options investigated
- Engagement and consultation including bicycle user groups and Bicycle Network Victoria

Millers Road interchange upgrades

- Starting late July 2018
- Freeway widening, two extra lanes in each direction
- Construction of retaining walls
- Creation of temporary ramp to facilitate upgrade construction

Fogarty Road power relocation and drainage works

- Late July 2018 for approximately 12 months
- Removal of lattice towers
- 66kv power lines moved underground
- 220kv power lines moved to less intrusive monopoles
- New drainage pipes
- Staggered road closures
- Pedestrian bridges will remain open
