5. Communications					
1118_3: BCRG to invite the EPA Air quality scientist to come and talk to the differences between monitors.	Dust	EPA	14/11/18		EPA's scientist will present the research results at the next BCRG meeting, in November 2019.

0807_1: Invite Brimbank CC Mayor and CEO to present at the next BCRG to report on the Brimbank Industrial Precinct Strategy Committee and the progress of the Brooklyn Evolution Strategy.	Strategy	BCRG	08/07/20	Nov 2020	
Action 0807_3: Karen Wilson, SV to send links from previous community feedback to BCRG for distribution and future communications and consultation plans for the project.	Strategy	SV	08/07/20	COMPLETE	<p>3/11/2020 Sam Trowse provided this update. The previous State-wide Waste and Resource Recovery Infrastructure Plan (SWRRIP) Consultation Report 2018, is provided as a reference point. See link here:</p> <p>https://www.sustainability.vic.gov.au/About-us/Publications/SWRRIP-Amendment-Consultation-Report</p> <p>Please note that Sustainability Victoria is currently reviewing the 2018 SWRRIP, along with other publications and government recommendations in the waste and recycling sector and will be preparing a new infrastructure plan into 2021. We absolutely acknowledge the complexities at Brooklyn as an existing industrial area and the amenity impacts that surrounding properties have experienced. We will be engaging with relevant councils and the community to assist with the preparation of this document and will advise you in the near future when this likely to occur. SV will aim to have representation at the next BCRG meeting scheduled for Wed 11 November to provide any further information regarding the SWRRIP.</p>
6. Roads					
0718_3: Invite EPA to a future BCRG to discuss further plans to reduce emissions in Brooklyn.	Air quality	BCRG	11/07/18		

BCRG Actions	Issue	Lead	Date issue first tabled	Target completion	Status at 03 November 2020
