

BCRG Actions	Issue	Lead	Date issue first tabled	Target completion	Status at 15 April 2021
					
1. Industry Accountability					
2.1 Identify, meet and work with major non-compliant industries	General	EPA/BCC	29/10/08	ongoing	See regular updates from EPA and Brimbank City Council. Latest report in BCRG Meeting notes
3. EPA Regulatory Role					
3.8 EPA dust monitoring program update	Dust	EPA	18/3/09	ongoing	See regular updates from EPA. Latest report in BCRG Meeting notes
2905_2: EPA to consider new soil sampling in the Brooklyn area and analysis to address ongoing concerns from residents regarding the content of the dust and any potential health impacts.	Dust	EPA	29/05/19	Ongoing - end 2021	See regular updates from EPA on Citizen Science project and upcoming source apportionment study. 11/11/20 EPA is currently undertaking a further source apportionment study in the inner West. While it has been delayed due to COVID restrictions we are finalising procurement and equipment arrangements, and locations. The monitoring will run for 12 months and is expected to start in coming months.
1311_2: EPA to investigate reports of chemical odours from the Nufarm premises.	Odour	EPA	13/11/19	COMPLETE.	Ongoing investigation. 11/11/20 EPA has received recent pollution reports and as COVID restrictions ease are planning further surveillance. EPA has continued to receive isolated odour reports alleging Nufarm (see EPA presentation) and undertook odour surveillance in February which did not detect any offsite odours from the site. EPA has further odour surveillance planned in late March to continue investigations.
1111_1 Invite EPA scientist to BCRG to discuss air monitors particularly in the context of other citizen science projects with EPA.	Air quality	BCRG	11/11/20	COMPLETE	18/03/21 Citizen science program has begun in Inner West. A number of monitors have/or planned to be installed including Kingsville Spotswood RSL, Kingsville Primary School. EPA will be sending communications out regarding this program in the near future and could present results to BCRG. https://www.epa.vic.gov.au/for-community/get-involved/citizen-science-program/citizen-science-projects/inner-melbourne-air-monitoring

<i>1111_3 EPA scientist to go back to technical air group and discuss how to report the data in future such as that from Brooklyn or high impact sites that don't meet the National Environment Protection Measure (NEPM) criteria e.g. could it be an appendix in the NEPM?</i>	Air quality	EPA	11/11/20	COMPLETE.	18/03/21 EPA is continuing conversations with Commonwealth Gov about this and will include a "Brooklyn case study" from the State of the Environment report into our annual NEPM report (due in coming months).
4. Planning and Enforcement					
<i>0715_1: Simon Vittorio, BCC to provide further updates on the stockpiles as an ongoing action.</i>	Dust	Simon Vittorio, Brimbank CC	22/07/15	ongoing	Updates included in BCRG Meeting notes
<i>0807_2 Invite SV back to BCRG to report on how the new planning aligns with the overall vision of the Evolution Strategy.</i>	Strategy	BCRG	08/07/20	Nov 2020	Deferred
<i>0807_5 EPA to provide a snapshot of its inspections and enforcement activities for the meeting notes.</i>	Dust	EPA	08/07/20	August 2020	See regular updates in agenda
<i>1111_2 Relevant council to investigate new log storing facility in Cawley Rd and determine if Methyl Bromide is being used and</i>	Methyl Bromide	Maribyrnong CC	11/11/20	COMPLETE	26/11/20 Keith Loveridge reported: The Malec site is partially in both Maribyrnong City Council (20-28 Cawley Road, Yarraville) and Hobsons Bay City Council (385-397 Francis Street, Brooklyn). The Maribyrnong Officer for the Protection of the Local Environment (OPLE) will liaise with the EPA West

<i>appropriately. (Maribyrnong CC – Yarraville Ward).</i>					<p>Metro Manager - Steve Lansdell and the OPLE for Hobsons Bay City Council - Claire Sonogo and determine appropriate regulatory action from EPA.</p> <p>18/03/21 Operations are moving off site. A number of businesses on that site but unsure if fumigation is still occurring. Council and EPA monitoring the site.</p>
<u>5. Communications</u>					
0807_1: <i>Invite Brimbank CC Mayor and CEO to present at the next BCRG to report on the Brimbank Industrial Precinct Strategy Committee and the progress of the Brooklyn Evolution Strategy.</i>	Strategy	BCRG	08/07/20	COMPLETE	Presentation at 18 March 2021 BCRG Forum
1111_4 <i>EPA to liaise with community members e.g. Carmen Largaiolli, Geoff Mitchelmore regarding reporting at BCRG and NEPM.</i>	Reporting	EPA	11/11/20	COMPLETE.	18/03/21 EPA has developed a revised reporting approach for our regular update (see EPA presentation) based on previous community discussion. We welcome any further feedback and meetings offline with interested community members to continue to develop our data reporting and presentation.
<u>6. Roads</u>					
0718_3: <i>Invite EPA to a future BCRG to discuss further plans to reduce emissions in Brooklyn.</i>	Air quality	BCRG	11/07/18
