3. EPA Regulatory Role					
3.8 EPA dust monitoring program update	Dust	EPA	18/3/09	ongoing	See regular updates from EPA. Latest report in BCRG Meeting notes
2905_2: EPA to consider new soil sampling in the Brooklyn area and analysis to address ongoing concerns from residents regarding the content of the dust and any potential health impacts.	Dust	EPA	29/05/19	Ongoing - end 2021	See regular updates from EPA on Citizen Science project and upcoming source apportionment study.
1603_2: EPA to investigate Snap Send and Solve and report back to BCRG on its viability as a reporting tool.	Dust and Odour	EPA	16/03/22	COMPLETE	25/05/22 EPA reported that this app is very expensive for the customer numbers experienced. The online portal has mixed reviews. The portal is easier to maintain and is more accessible across multiple platforms. EPA is hoping to integrate more information/questions into the current platform. EPA asked the community for feedback on what works with Snap Send and Solve and what they would like to see incorporated into the current system and call centre. EPA is trialling an app around face masks with Cleaning Australia. This may be built on for future litter programs.
2505_3 EPA to respond to the question of why no further air monitoring has taken place as recommended in the VAGO report and recommendations and if it	Air quality	EPA	25/05/22		

can be combined for an overall bigger picture.
